NOTES:

- All applications are subject to Western Irrigation District Board Approval.
- Irrigation Acre Owners who are renting their acres in this Alternate Parcel are still responsible to ensure their annual assessment is paid.
- Agreements between the Irrigator receiving acres and the Irrigator giving acres are outside of WID's scope. WID will only facilitate the details within this agreement.

By signing, the parties acknowledge this agreement is for the 2026 season only and complies with Section 25 and 95(2)(a) of the Irrigation Districts Act.
